9/11 Responders Remembered Memorial Park Unveiling

**Intersection of Gibbs Pond Rd & Smithtown Blvd, Nesconset NY 11767
Saturday 10.30am Sept 10th, 2011**

The recognition of American Heroes is as much a challenge as it is an honor. The '911 Responders Remembered Park, Inc.' in conjunction with the FealGood Foundation has taken up this challenge with grace and vigilance. We realize the importance in recognizing those who ran into the fire when so many ran out, to recognize those who put their own lives at risk for the betterment of all.

The 911 Responders Remembered Park, will be a solemn yet beautiful place where the families will be able to sit and reflect on those lost to freedom and courage; while realizing from this Park's beauty that we American's love them as well.

The FealGood Foundation is proud to announce the unveiling of this special place with a living wall whose granite will etch the names of all lost since 9/11 from related ailments; whose handsome clock will guide their day and whose garden will welcome another spring.

Please join us to celebrate the Champions and comfort the Widows and the Families of those gone before us.
