

## NEW CD RELEASE!

**Jim Small** (of the Jim Small Band) has just released a new solo CD of his original acoustic music!

**Title: "This Is Where We Lived"**

*14 Original Songs featuring "Ten Years"  
-dedicated to the heroes of 9/11  
on this tenth anniversary and a  
fundraiser for first responders.*

A personal note from Jim:

“Some of these songs have been waiting decades to find their way to you. Others are new friends you just haven't met. All of them seem to be artifacts from where we all have lived, and I'm proud of each one.

*Looking For The Star In The East* and *Nativity* are holiday tunes, and in the spirit of the holidays, should be given as gifts. Therefore, proceeds from these two songs will be given to my church, St. Peter's By-The-Sea, Bay Shore, NY, to help continue its ministry.

*Ten Years*, (originally written as a poem and shared with St. Peter's at the 9/11 Tenth Anniversary service) has now been put to music. This song is dedicated to the heroes of 9/11, and first responders to our nation's worst tragedy. After much research, I have chosen to direct all proceeds from this song to [www.fealgoodfoundation.com](http://www.fealgoodfoundation.com), in an effort to help their cause and heighten awareness to the medical issues our first responders are dealing with each day. (One of my closest childhood friends has generously offered to match all proceeds from this song with his donation!) Please visit their website to see how you too can help. Thanks for supporting original music.” - Jim
