

## 9/11 First Responders Health and Wellness Program

We are pleased to team up with **John Feal** and **The Feal Good Foundation** for the **9/11 First Responders Health & Wellness Program**. This program will enable first responders and their families to receive quality, professional healthcare without concern of cost or out of pocket expenses to them!

Contact John Feal or the Feal Good Foundation to receive your ID card for this program. The ID card will enable you to receive services as part of this program. If you have health insurance, you will NOT be charged any out of pocket expenses for copayments or deductibles. If you do not have health insurance, the participating doctors and facilities have agreed to a discounted or even no cost rates.

Simply call to make an appointment and identify yourself as part of the 9/11 First Responders program. When you come for your appointment, bring your 9/11 First Responders ID card with you.

We are honored to be able to develop this program to help those that helped so many others. Words cannot express our sincere appreciation for all that you did and we hope that you will allow us to help you. Again, feel free to contact us for more information or to make an appointment!
