Press Release

1/2/2010

SIGNING OF “H.R. 847, THE JAMES ZADROGA 9/11 HEALTH AND COMPENSATION ACT OF 2010”

It was selfless courage shown by each of the many men and women who responded on 9/11 that made our nation proud. The strength brought forward by each of the First Responders was unhesitant and powerful. The benevolence displayed by these Americans responding to Ground Zero was vibrant.

It wasn't a pen, it wasn't just a man. It was just simple America.

Today *is* about a man and a pen. The signing by a man who represents this nation is just a small part in the history books of terrorism and death.

The First Responders who are still with us to enjoy the victory of today's final step thank the President for his signing of this bill.

The battle to have this Bill signed started man years ago and many of these same First Responders have grown weak, many have left this world for a more beautiful place.

We ask all to remember those who are no longer with us to celebrate this great day.

Now, we move on to fight another day and assure that great service to all responders comes from this bill.

We also give thanks to Rep Carolyn Maloney, Rep Jerry Nadler, the NY Delegation, and our 2 Senators, Senator Gillbrand and Senator Schumar for their unwavering commitment to ensure the passage of this historic piece of legislation.
